

Product Specification Report

1.2/07810008/0617

Concentrated detergent specifically made for use in self-cleaning ovens and hoods. The special formula easily removes oil, grease, protein residues etc. Rinses easily without foaming.

STEAMER CLEAN

Concentrated detergent for self-cleaning systems

FEATURES:

Specific	Formulated specifically for self-cleaning ovens and hoods. Regular use prolongs oven life.
Effective on dirt	Contains alkaline substances that will remove residues of protein, oil, grease and grime, including stubborn dirt.
Easy rinsing	Easy to rinse, after rinsing STEAMER CLEAN leaves no residues on the surfaces.
Non foaming	Does not produce foam which is potentially damaging to ovens and hoods.

APPLICATIONS:

STEAMER CLEAN is used for the cleaning of self-cleaning ovens and hoods. Applicable in restaurants, hotels, fast food restaurants, hospitals, canteens etc.

SPECIFICATIONS:

Form.....Liquid
 Colour.....Trasparent
 Odour.....Odourless
 Density at 20°C.....1,023 g/cm³
 Solubility in water.....Soluble
 pH (undiluted).....13,0 ± 0,5

INSTRUCTIONS FOR USE:

STEAMER CLEAN should be dosed automatically through the dispensing system present in the oven or hood. The concentration of product should be between 0,5 and 4 g/l, depending on the degree and type of soiling. Use with softened water.

COMPATIBILITY:

Do not use on aluminium and zinc. When used in high concentrations the product can dull painted surfaces.

PRECAUTIONS FOR USE:

For more information, consult the MSDS.
